Dr. Edward Kondrot, president of the Arizona Homeopathic & Integrative Medical Association (AHIMA), announces his new book to raise awareness about the field of alternative medicine. The book will be released on April 21, 2014, and is titled "The Top 20 Alternative Doctors in America." It being published by Advantage Media Group. Featuring interviews with the top alternative doctors in the country, the book offers information about how each of them transitioned to alternative therapies, how they made their practice unique, and what types of conditions and patients they treat.

"For anyone interested in alternative medicine this is a must-read book," explains Dr. Edward Kondrot, founder of the Healing The Eye & Wellness Center. He is also the president of the Arizona Homeopathic and Integrative Medical Association, and the clinic director of Integrative Medicine of the American Medical College of Homeopathy. "It provides valuable insight that doctors need, and that patients want, making it a good book for each of them."

Each of the alternative doctors in the book specialize in various areas, including eye health, classical homeopathy, dental health, lead removal, the healing process, treating cancer with nutrition, chelation therapy, treating diseases, hypothyroidism, ozone therapy, stem cell, nutrition, detoxifying the body, and keeping children healthy.

The book focuses on providing an interview with each of these doctors. Readers will learn a lot about each of the doctors and their area of expertise. The book has been written so that both doctors and patients would find it of interest. Doctors will find the book inspirational as well as insightful regarding practicing in the alternative health field. Patients will gain better insight regarding some of the top doctors who may be able to help address their conditions and provide alternative treatments.

In addition to Dr. Kondrot, other alternative doctors featured in the book include Dr. James Lemire, Dr. Dorothy Merritt, Dr. Charles Schwengel, Dr. Mike Margolis, and Dr. Mark Starr, to name a few.

“This book is not only insightful, but it’s interesting to learn about what has worked to help each of these doctors make the transition and become so successful,” adds Dr. Kondrot. “It’s certainly one to put on your summer reading list if you have any interest in alternative health.”

The book is scheduled for release on April 21, 2014. It is currently available for pre-order at Amazon.com. Those ordering before the release date can save 20 percent by ordering from the Healing The Eye & Wellness Center site at: <http://www.healingtheeye.com/top-docs>.
